

### **Product Features:**

- 1. Provides an illuminance of 100lm/cm<sup>2</sup> and a light efficiency of 200lm/kg.
- 2. Offers outstanding light efficiency with a whole lamp efficiency of 140-150lm/W, making it a suitable replacement for standard LED floodlights of 1500W in the market while providing the same illuminance level.
- 3. Boasts an extra-long lifespan with a 5-year warranty.

4. Utilizes COB light sources, resulting in over 60% energy savings compared to traditional fixtures at the same illuminance. Demonstrates ultralow light decay, with a luminous flux maintenance rate of over 90% within 5 years.

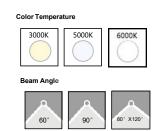

- 5. Demonstrates ultra-low light decay, with a luminous flux maintenance rate of over 95% within 5 years.
- 6.Incorporates high borosilicate glass lens material to ensure long-term usage without yellowing.Provides superior protection with professional waterproof connectors and a special sealing structure, achieving an IP67 waterproof and dustproof rating. It is suitable for high-temperature, high-humidity, high-dust, and other challenging environments.

# COB HIGH POWER LED STREET LIGHT 50W ADHESi N®

#### Specifications

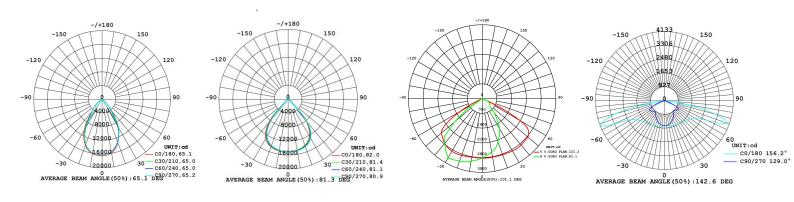

Power: 50W Material: Aluminum Optical Accessories: Lens Driver: Built-in Input Voltage: 100-277V ~ 50/60Hz Power Factor: ≥ 0.9 Operating Temperature: -40°C~+55°C, -40°F~+131°F LED Lifetime: ≥ 85,000hrs Driver Lifetime:≥50,000hrs Warranty: 5 years
